

ST PETER'S WEEKLY NEWS

23 MAY 2021

A step forward.

Today we are trialling coffee after church. This is not how you are used to it. Taking our lead from the guidance to restaurants there will be tables of six inside. As going to print we will also have tables outside where restrictions are a little more relaxed. As you enter the hall, wearing your mask, make your way to a table and sit down. You may then remove your mask. You must stay at your table. Do not move tables. Coffee will be brought to your table.

When you are ready to leave replace your mask and leave by one of the fire exits, unless you need step free.

If you decide to give this a go Susan and the Staff Team would be keen to receive your feedback.

It has been our practice at Pentecost to celebrate admissions to communion. This year, due to a number of factors this has been delayed. However, we are beginning preparations and a class will be running early June. If your child is ready and you would like them to come the classes please let either Fr David or Fr Adam know.

Love and prayers,

Fr D
