SERVICES Under Lockdown 3. Because of rapidly rising infection numbers in the Borough and the highly infectious nature of the new strain of COVID all places of worship have had a request from Ealing Council to consider closing to public worship and private prayer. After prayer and deliberation, the PCC, responding to the Council's request have decided to Zoom-broadcast services of the Word though this period of lockdown from the Lady Chapel. We have also decided to close the church to private prayer for this month; both decisions to be review at the end of January/beginning of February.

This emphasises the importance of improved audio/visual technology. We are working on an improved and more secure system. This is expensive and although we have made successful applications for grants to the Allchurches, Hope Beyond programme, we would be grateful for any further help towards the costs. If you would like to contribute financially to this please let wither Fr David or Linda Foster, our Treasurer know. Donations most welcome.

Stewardship 2021. With successive lockdowns and restrictions on hall lettings church finances continue to be tight. As part of your New Year reflections we would be most grateful if you would consider reviewing your regular giving to St Peter's coffers to help us continue the work of God in the parish. Every little increase really does help. If you can help through your stewardship, we would be grateful.
