**PILGRIM COURSE commences in the church hall, Monday 16<sup>th</sup> November, 7.45pm.** Pilgrim is a course for the Christian journey. The aim of the course is to help people become disciples of Jesus Christ or at least find out more about what that means. Pilgrim is a major new teaching and discipleship resource from the Church of England. It aims to help every local church create a place where people can explore the Christian faith together and see how it can be lived out each day. Pilgrim takes a different approach to other Christian programmes. It approaches the great issues of faith not through persuasion, but participation in a pattern of contemplation and discussion with a group of fellow travellers. Pilgrim is comprised of two stages: the Follow stage for those very new to faith, and the Grow stage for those who want to go further. Each stage contains four short six-session courses which focus on a major theme of Christian life. **please see further details on notice board.**
