WEST WINDOW PROJECT - At last the planned work on West Window is due to commence on 6th February. It will take about 2/3 weeks to erect the scaffolding inside the church before the work to the window begins. The whole project will take about 5 months. Please bear with us during this time. Things at the back of church will look a little different.

We are extremely grateful to the Heritage Lottery Fund, Garfield Weston Foundation, Allchurches Trust for their grants and a few individuals for their generous donations enabling this restoration work to happen. If you haven't given but have been thinking about it, now would be an excellent time to do so. Cheques should be made payable to "St Peter's PCC" and marked 'West Window'. Any questions or queries talk to Allison McAllister. Many thanks.
