SAFEGUARDING

Dear Parishioner,

The Diocesan Safeguarding Team are keen to find out how safeguarding is being implemented and understood in our parishes. We would therefore be very grateful if you would take part in a short survey which can be accessed on the link below. It consists of 5 questions and shouldn't take more than 5 minutes to complete. This will help to guide us as to what resources parishes may need to develop safeguarding in our parishes in the future.

Many thanks for your support.
