RENEWING OUR FACILITIES - Led by the Buildings and Grounds Committee, work is underway to identify options for refurbishing our hall and to maintain and enhance the grounds and the interior of the church building. Focussing on securing external funding, the aim is to ensure that St Peter's improves its ability to attract new members (especially young families), provides a more appealing proposition to community users, and increases its income generation potential to secure its long-term future. This is your chance to feed into the process! We would love to hear your views on how you think St Peter's facilities could be improved, and to discuss with you plans so far. We would also like to hear from anyone interested in supporting the project in other ways. Please speak to Fr David or Alexander Pridgeon after the service, or email alexpridgeon@stpeterealing.org.uk

LIBRARY - We now have produced a list of books available in the church library. This list will cost £1.00, these proceeds to go into church funds. There is a good selection of religious/spiritual books so, if you would like a copy, please see Moira.
