CAN YOU HELP? - Are you a lady who has been on a Christian faith journey for 25 years or more? If so, and you are in your late forties to early sixties I would love to talk with you. I am looking at the faith journeys of women in their 'fifties' (my own age group) for my post-graduate dissertation. I would like to explore with you how the experience and expression of your Christian life has changed over time. If you are interested in learning more please contact Rosemary Beardow on 07733441431 or rbeardow@aol.com
